Experience

Graphic Design Apprenticeship ▪ Air Liquide

2024 - 2026 — Content Factory, Communications Department

- Adapted campaign visuals for an audience of 65,000 employees, across multiple languages and formats
- Edited institutional videos, screened up to the group's Annual General Meeting
- Led creative projects end to end, from concept to final digital or printed visuals
- Designed visuals for several of the group's strategic campaigns
- Managed multiple projects in parallel, across internal teams and agencies, with varied stakeholders

IT Technician ▪ Gustave Eiffel University

2022 - 2024

- Supervised a team of 3 students each summer for 3 years: task allocation, training and follow-up
- Refitted several full computer labs: installation, configuration and integration into the university network
- Independently resolved support tickets across the campus: on-site diagnosis, hardware replacement, user support
